Challenges and innovations in data production:

Address emerging data needs and stakeholders; enhance citizen participation

Enhancing Participation in Survey

Challenges

- Respondent Burden
- Flagging Respondent Motivation to Participate

Response Action

- Minimise the Cost of Response to Businesses
- Improve Response Quality
- Bring Statistics Closer to the Respondent

1 Automated Data Transfer Services (ADT)

Direct Transfer

Direct automated data transfer from your company to MOM's database via email or Secure File Transfer Protocol (SFTP).

- ✓ Minimal effort from respondent after set up
- ✓ Up-to-date data responses
- ✓ Guaranteed respondent participation

Submissions via ADT has increased from 10 in Jul'21 to 750 establishments in Dec'23.

OR

HR Solution Providers

Company provides relevant data to approved HR Solutions Provider, which is then seamlessly transferred to MOM.
